Thank you Thomas. That's correct we don't send them transmittals but usually toward the end of the year we do inform them of their remaining balance. All you need to do is send him an email (he's cc'd on this email) to give him that information and he will request the funds.

The Wilshire Center BID renewal Final Hearing for 2018 (23rd year, started in 1996) was adopted in Council yesterday and the BID Director Mike Russell asked me to let him know about the balance.

Thanks again.

Hi Rick,

I will make a transmittal for them today, from what I have been told we usually don't send the merchant BIDs transmittals. We don't have it set up in the system to make them, so we would have to do it in a word document.

Thomas,

Were you able to get that information for the Wilshire Center BID? Let me know.

Thanks.
